

# **It's Our Fabulous 50th**

From Tom Kile

**February 1st, 2022**

I am happy to communicate with you regarding preliminary plans for our upcoming 50th High School Class Reunion.

First and foremost, the class reunion dates are Friday, September 30, October 1 and October 2, 2022. Please secure the date and mark your calendar to be in Farmington for our special celebration.

To share planning updates, this reunion website has been created and pinned for easy access on the Facebook Page.

Please refer to this website regularly for updates of the latest information leading up to the reunion. We hope to have monthly updates throughout the next ten months.

Since our 45th class reunion in August 2017, an ever-expanding group of classmates has been busy updating contact information to ensure our 50th reunion planning is well-communicated to all. Our goal is to have all classmates attend this "Class of '72" milestone.

We've had good progress in obtaining current email, mailing addresses, and phone contact information. However, we need your help to locate information on some classmates. If you can provide corrected or additional information on our classmates, please scroll down to the gold box below to find the classmate list. Simply find your name or a classmate's name to update or add information. By clicking on the name, a form will appear for you to fill out and submit updated contact information and/or correct information previously provided. Thank you. We look forward to seeing you at the reunion.
